

IPC MARKET INTELLIGENCE

Purchase options & order form

Effective December 12, 2019

PURCHASE OPTIONS

Products

IPC offers the following IPC Market Intelligence products for purchase:

- A PDF copy of the latest edition of the **IPC Global Postal Industry Report**
- A one-year subscription to over 50 **IPC Carrier Intelligence Reports** accessed via the IPC website

The IPC Global Postal Industry Report and the one-year subscription to the IPC Carrier Intelligence Reports can be bought separately or together.

Licenses

Use of the IPC Global Postal Industry Report and the IPC Carrier Intelligence Report subscription ordered from IPC is bound by the licence type selected by the customer at the time of purchase. There are three licence types:

- **Single User licence:** Allows access to a PDF copy of the report(s) to be accessed and used by one individual, identified at the time of purchase.
- **National Enterprise licence:** Allows access to a PDF copy of the report(s) that can be accessed and used by an unlimited number of people within the same country as the office from which the purchase request originated. The report(s) can be accessed by these people in any company office within that country but may not be shared with any person outside the company or country named on the invoice.
- **Global Enterprise licence:** Allows access to a PDF copy of the report(s) that can be accessed and used by an unlimited number of people within the same company, at any company location worldwide. The report may not be shared with any person outside the company named on the invoice.

Discounts

For customers purchasing both the IPC Global Postal Industry Report and IPC Carrier Intelligence Report subscription at either the National Enterprise or Global Enterprise licence level, a **20% bundle discount** will be applied to the final purchase price. No bundle discount is applicable to customer purchases of reports at the Single User licence level.
